Postgraduate Diploma in Business Management & Management Consultancy

Awarded by the Association of Business Practitioners

Management Consultants are business professionals who enjoy a great deal of flexibility and enjoy working for different projects. Many Management Consultants work on an interim or project basis and work on several projects at the same time. You can either set up your own Management Consultancy Company and work for yourself or work for a well established Consultancy firm.

You can be part of this dynamic business environment by choosing to further your business career at LSM Business School part of one of the largest Executive training providers' in central London.

If you are a university graduate with relevant experience, then the Postgraduate Diploma in Business Management & Management Consultancy is a challenging way of enhancing your CV, developing your education and furthering your career.

This programme is designed to develop your presentation, communication and interpersonal skills, as well as your strategic thinking and decision-making. You will study modules such as Strategic Planning & Implementation, Strategic Marketing Management, and Strategic HR Management alongside with your key career based skills such as Advanced Professional Development and Management Research.

Who is this course for?

Study modes:

Full time – Intensive – Part time – Weekend- Distance Learning

This programme is ideal for you if you are a recent graduate with 1-2 years work experience and aiming to broaden your skills in strategic thinking and decision making.

This programme is also suitable for experienced business executives, who have more than 5 years managerial work experience, but without an undergraduate degree.

We also require you to have a good command of English.

Assessment method:

All your modules are assessed by a written assignment of 5000-6000 words.

Modules:

- Corporate Management in Action
- Leadership & Change Management
- Management of Financial Resources & Performance
- Organisational Resources Management
- Strategic Business Management & Planning
- Research Methods for Managers
- Developing Consultancy Skills and Practice

Students who have completed the above seven modules are eligible for ABP's [Postgraduate Diploma in Business Management & Management Consultancy \(Level 7\)](#) award.

Progression:

Students are eligible to join the stage 2 of the [MBA](#) programmes at:

- Anglia Ruskin University
- University of Sunderland
- University of Worcester
- University of Hertfordshire
- University of Wales

Full time

Students are required to attend classes on Thursdays and Fridays

Average course length – 9 months

Intensive study

Students are required to attend classes on Thursdays, Fridays and Saturdays

Average course length – 6 months

Part time (Saturday)

Students are required to attend classes on Saturdays

Average course length – 12 months

Work Placements

Students can combine this study programme with a Work Placement/Internship between 12 to 24 weeks.

Work Placement/Internships will be arranged by LSM Business School (through ProfessionalsUK Ltd) and students can apply for ProfessionalsUK Work Experience Certificate upon completion of your placement.

Career prospectus

Students who have successfully completed all seven modules of the Postgraduate Diploma in Business Management and Management Consultancy programme can expect to take middle to senior managerial positions.

Graduates of this Postgraduate programme can expect to take up managerial level positions (depending on your existing work experience) at leading Private as well as Public sector organisations. Some such positions may include Marketing Manager, Human Resources Manager, Finance Manager, and General Manager and so on.

Key Course Features:

- Start dates throughout the year;
- Students can submit assessments in January, April, June and September;
